Dear Bill,

I am writing to thank you most sincerely for helping us sell our North York home. Your dealings were always most professional and done with a great deal of honesty and integrity. The process moved along quickly and we greatly appreciated the ongoing support and advice you provided during the negotiations. We got the price we asked and the house sold even more quickly than we anticipated.

Bill, I would recommend you to all of my friends and colleagues with absolutely no hesitation.

Sincerely yours,

Ronald M. Laxer, MD, FRCPC
