re: Sale of 328 Hillcrest Ave.

Dear Bill,

Just a short note to thank you for your successful work to sell our parent's estate. We interviewed a number of candidates before selecting you, and feel that we made the right choice. Your professionalism, knowledge of the market and familiarity with the area helped us to understand the value of the property and how best to present it. Your contacts and marketing efforts then brought the right buyers to the table, and your selling strategy paid off in a successful outcome for both the buyer and seller. Throughout it all, your honest, confident style helped us make the right decisions.

Sold in one week at above list price; what else can we say? Working with you was the right choice!

Peter Allsop and Heather Burlew
